Dear Parent/Guardian of: _____ Date: _____

Your child was seen in the health office today with symptoms of an illness. ***We require that you keep your child at home until they are free of these symptoms for at least 24 hours without the use of medications such as Tylenol or Ibuprofen. Please keep your child home tomorrow to allow them time to feel better and prevent the spread of germs in the classroom.***

Your child exhibited the following symptom(s) today:

- Fever _____
- Vomiting
- Diarrhea//
- Eye drainage and/or pink _____
- Sore throat _____
- Other _____

If your child tests positive for Strep Throat or Conjunctivitis (pink eye) they can return to school when they are feeling better and have been treated with an antibiotic for 24 hours.

If your child tests positive for Covid-19, Influenza or any other viral illness, they may return to school when they are feeling well enough to participate in class, fever-free for 24 hours without medication and symptoms have improved. It is recommended they wear a mask around others until they are well.

Please notify the health office if your child has been diagnosed with a communicable illness (Covid, Strep Throat, Pink Eye, Coxsackie, etc.).

Thank you for your understanding and helping us keep our schools free from illness.
