

Saratoga Central Catholic School

Request for Mandated Health Appraisal 2024-2025

Dear Parent(s) or Guardian(s):

NYS law requires that each child in a school district have a health examination before entering school for the first time, and again in grades 1, 3, 5, 7, 9, 11. Students wishing to play interscholastic sports or requesting work permits must have an annual health exam.

Your own health care provider is always the best choice for these exams. We encourage you to call early as it may take weeks to schedule exams during the busy summer and fall months.

A health form is attached if needed. You or your provider may return the completed form to the school health office. The school fax # is 518-587-0678.

If you have any questions or concerns, please contact the school nurse at-
dkowalski@saratogacatholic.org.

IN ADDITION
